Devon Batemon

Front-End / Fullstack Web Developer

[Portfolio Website](#)

I've recently graduated from coding bootcamp as a front-end/fullstack web developer. Eager to dive into the tech industry and put what I've learned to good use developing world-class websites for companies. Seeking to start in a junior front-end position if applicable.

PROJECTS

[Pokemon card gallery website](#) — *Html, css, javascript, bootstrap, fancybox*

A gallery website where you can view all card sets of pokemon tcg released. In the future I hope to implement up to date PSA sold listing prices.

[Daily tasks website](#) — *Html, css, javascript*

A simple website to display your daily To-Do errands.

EDUCATION

Nucamp Coding Bootcamp, Remote — *Certificate*

July 2020 - March 2021

Attended and completed a front-end, back-end, and mobile development bootcamp that spans over the course of 6+ months. Main courses focused on perfecting html, css, and javascript as well as learning/building apps with react and react native. nucamp.co

Southern New Hampshire University, Remote — *DNF*

April 2017 - Nov 2018

Attended online college for a Computer Science degree completing up to ¼ of the credits needed to graduate before personal life situations prevented me from continuing courses.

EXPERIENCE

Best Buy, Peoria, IL — *Geek Squad*

Oct 2016 - Sept 2018
